“Build a Better Web” June-August 2017!

We are a professional non-profit touring theatre company that has been based in Durham for 23 years. We are hoping to build readers by bringing stories to life on stage! This program ties in to the Summer Reading Theme for Libraries and Summer Camps! For more information on this play please visit our website at www.rags-to-riches.org, and contact Melody Peters at mpeters4@nc.rr.com or at 919-423-8696. Find us Facebook too! All of our plays last about 40 minutes and are engaging for all ages because of our unique audience participation. There is something for everyone!
