# Summer Show 2018

**Stone Soup!** Because Rags To Riches loves rockin' it at the Library, we will be rockin' it for you with our **Stone Soup** this summer.

This production is an adaptation of the Grimm Folk Tale. On the way to the City School, a young mouse, Scurvy, gets hungry and tries to find some animals to share some food with her. Everyone is greedy and stingy. When she speaks of her magic stone left from the soup she had at the King's table, everyone suddenly changes their tune! Watch Scurvy convince the animals in the town that by sharing there is more than enough food for everyone, and how they can have fun doing it!
